Siempre han existido personas que han perdido sus vidas por catástrofes naturales y accidentes, pero eso no significa que haya sido un castigo de Dios. Sin embargo, Jesús nos advierte que, Dios si castigará a aquellos que no se arrepienten de sus trasgresiones antes de morir.

Ci sono sempre state persone che sono state uccise da catastrofi e incidenti naturali, ma questo non significa che sia stato una punizione di Dio. Tuttavia, Gesù ci avverte che Dio punirà coloro che non si pentiranno delle loro trasgressioni prima di morire.

There have always been people who have been killed by natural catastrophes and accidents, but that does not mean that it was a punishment from God. However, Jesus warns us that God will punish those who do not repent of their transgressions before they die.

According to Fr. James Martin, S.J., why do we fast? For 3 reasons: it is healthy; it reminds us that we have some control over our bodies; and what we save out of our fasting, we share with people in need.

Are You Tired of Crooked Teeth But Can't Afford Braces?

For some, according to Dr. Isakow, General Dentist, straightening their teeth with braces is outside their budget. "Some people are embarrassed by their crooked teeth but couldn't afford the high up front cost of braces," says Dr. Isakow. "That's why I'm offering affordable payment terms with low down payments to fit anyone's budget." Dr. Isakow currently offers braces as low as \$99/month, \$499 down, 0% interest.
