“Light” is one of the original symbols of Sacred Scripture; it announces God’ salvation. It is not accidental that light was the first thing to be created to bring an end to the darkness of chaos. Light illumines the darkness, it is the agent that liberates us from the fear inspired by darkness; it is the means that orients our journey and helps us to see our goal and the way to reach it. Without light, there is no life. The story of the healing of the blind man is a story of signs characteristic of John. The story gives evidence that Jesus is the light of the world, that he is the fullness of God’s revelation and God’s salvation offered to everyone. Now it is up to us to receive the light of Christ and live as children of the light, or to reject it and live as children of darkness.

La “luce” è uno dei simboli originali della Sacra Scrittura. Essa annuncia la salvezza di Dio. Non è senza motivo che la luce è stata la prima ad essere creata per mettere un termine alle tenebre del caos. La luce rischiarava l’oscurità, ci libera dalla paura che ispirano le tenebre e ci permette di riconoscere la nostra meta e la via da percorrere per poterla raggiungere. Senza luce, non c’è vita. Il racconto della guarigione del cieco è una “storia di segni” caratteristica di san Giovanni. Essa mette in evidenza che Gesù è “la luce del mondo” che egli è la rivelazione in persona e la salvezza di Dio offerta a tutti. Ora sta a noi accogliere la luce di Cristo e vivere come figli della luce, o rigettarla e vivere come figli delle tenebre.

Luz” es uno de los símbolos originales de la Sagrada Escritura, nos anuncia la salvación de Dios. No es accidental que la luz fue la primera cosa que se creara para poner fin a la oscuridad del caos. La Luz ilumina la oscuridad, es el agente que nos libera del temor inspirado por la oscuridad, es el medio que orienta nuestro viaje y nos ayuda a ver nuestro objetivo y el camino para llegar a él. Sin luz, no hay vida. La historia de la curación del ciego es una historia de los signos característicos de Juan. La historia da evidencia de que Jesús es la luz del mundo, que El es la plenitud de la revelación de Dios y la salvación de Dios ofrecida a todos. Ahora depende de nosotros el recibir la luz de Cristo y vivir como hijos de la luz, o rechazarlo y vivir como hijos de las tinieblas.

Pope Francis' Message

The Holy Father is in Iraq and portions of his sharing:
 ...As I look out at you, I can see the cultural and religious diversity of the people of Qaraqosh, and this shows something of the beauty that this entire region holds out to the future. Your presence here is a reminder that beauty is not monochrome, but shines forth in variety and difference. At the same time, with great sadness, we look around and see other signs, signs of the destructive power of violence, hatred and war. How much has been torn down! How much needs to be rebuilt! Our gathering here today shows that terrorism and death never have the last word. The last word belongs to God and to his Son, the conqueror of sin and death. Even amid the ravages of terrorism and war, we can see, with the eyes of faith, the triumph of life over death. You have before you the example of your fathers and mothers in faith, who worshipped and praised God in this place. They persevered with unwavering hope along their earthly journey, trusting in God who never disappoints and who constantly sustains us by his grace. The great spiritual legacy they left behind continues to live in you. Embrace this legacy! It is your strength! Now is the time to rebuild and to start afresh, relying on the grace of God, who guides the destinies of all individuals and peoples. You are not alone! The entire Church is close to you, with prayers and concrete charity. And in this region, so many people opened their doors to you in time of need... there will be moments when faith can waver, when it seems that God does not see or act. This was true for you in the darkest days of the war, and it is true too in these days of global health crisis and great insecurity. At times like these, remember that Jesus is by your side. Do not stop dreaming! Do not give up! Do not lose hope! From heaven the saints are watching over us. Let us pray to them and never tire of begging their intercession. There are also the saints next-door, "who, living in our midst, reflect God's presence" (*Gaudete et Exsultate*, 7). This land has many of them, because it is a land of many holy men and women. Let them accompany you to a better future, a future of hope. ...let us pray together to our Mother, invoking her intercession for your needs and future plans. I place all of you under her intercession. And I ask you, please, not to forget to pray for me.

Precious in the sight of the Lord is the death of his saints. Ps 116: 15
 † Let us pray for the souls of those who passed away this week:
