Mountaineers train themselves to climb and reach the peak. As they reach the peak they learn two lessons: how small they are and how big is the world around. The feast of Ascension too teaches two lessons: we all come from God and are destined for God. In life, we may experience catastrophes both human and natural that might plunge us into despair and depression. However, the feast of Ascension reminds us to keep our heads high and look up to the God of Jesus who will give us the power to ascend above all. Are we ready to keep our heads high and look up to our God?

Gli scalatori si allenano per scalare la montagna e raggiungere la vetta. Arrivati in cima si accorgono di aver imparato due cose: quanto sono piccoli e quant'è grande il mondo intorno a loro. La Festa dell'Ascensione ci insegna due cose: tutti proveniamo da Dio e siamo destinati a Dio. Nella vita forse sperimentiamo catastrofi umane e naturali che magari ci spingono nella disperazione e nella depressione. La Festa dell'Ascensione ci ricorda di mantenere il nostro sguardo in alto verso il Dio di cui parla Gesù, che ci darà la forza per superare tutto. Siamo pronti a tenere alta la nostra testa e guardare verso il nostro Dio?

Los alpinistas entrenan para escalar y alcanzar la cima. Mientras alcanzan la cima aprenden dos lecciones: qué tan pequeños son y qué tan grande es el mundo a su alrededor. La fiesta de la Ascensión también enseña dos lecciones: todos venimos de Dios y estamos destinados para El. En la vida a lo mejor padeceremos catástrofes tanto humanas como naturales que quizá nos hunda en la desesperación y depresión. Sin embargo, la Fiesta de la Ascensión nos recuerda mantener nuestras cabezas elevadas y admirar al Dios de Jesús quién nos dará el poder para ascender por encima de todo. Estamos listos para mantener nuestras cabezas elevadas y admirar a Dios?

Pope Francis' Message

...what fruit is born by those who remain united to Him: this fruit is love... He invites us to abide in his love so that his joy may be in us and our joy may be full... What is this love? It is the love that originates in the Father, because "God is love." This love of God the Father flows like a river in his Son Jesus and through Him comes to us, his creatures. Indeed, he says: "As the Father has loved me, so have I loved you." The love Jesus gives us is the same with which the Father loves Him: pure love, unconditional, freely given love... and he involves us in his same mission for the life of the world. ...how do we abide in this love? Jesus says: "If you keep my commandments, you will abide in my love." Jesus summarized his commandments in a single one, this: "that you love one another as I have loved you." To love as Jesus means to offer yourself in service, at the service of your brothers and sisters, as he did in washing the disciples feet. It also means... detaching ourselves from... earthly comforts, in order to open ourselves up to others, especially those in greater need. It means making ourselves available, as we are and with what we have. This means to love not in word but in deeds. To love like Christ means saying 'no' to other 'loves' that the world offers us: love of money..., love of success, vanity, [love] of power. These deceptive paths of "love" distance us from the Lord's love and lead us to become more and more selfish, narcissistic, overbearing. And being overbearing leads to a degeneration of love, to the abuse others, to making our loved ones suffer. I am thinking of the unhealthy love that turns into violence - and how many women are victims of violence these days. This is not love. To love as the Lord loves us means to appreciate the people beside us, to respect their freedom, to love them as they are, not as we want them to be, gratuitously. Ultimately, Jesus asks us to abide in his love, to dwell in his love, not in our ideas... Those who overcome the ambition to control and manage others. Not controlling, serving them. Opening our heart to others, this is love, giving ourselves to others. ...Where does it lead us? ...And the Lord wants the joy he possesses, because he is in complete communion with the Father, to be in us insofar as we are united to Him. The joy of knowing we are loved by God despite our infidelities enables us to face the trials of life confidently, makes us live through crises so as to emerge from them better. Our being true witnesses consists in living this joy, because joy is the distinctive sign of a true Christian. True Christians are not sad; they always have that joy inside, even in difficult moments. May the Virgin Mary help us to abide in Jesus' love and to grow in love for everyone, witnessing to the joy of the Risen Lord. ... And please, do not forget to pray for me...
